# Coronavirus and FCDO/WHO travel advice

## Coronavirus Cover

This policy only provides cover for Coronavirus related claims if:

- **You** are up to date with Coronavirus vaccinations as recommended by the UK NHS, if **you** are unsure, please check with **your** doctor, or **you** were medically unable to have the vaccinations as evidenced by **your** medical records; and
- **You** are travelling **to a country or area where the FCDO/WHO** are not advising against all or all but essential travel due to the Coronavirus pandemic.

**If you meet both of these requirements, your AllClear travel insurance policy will provide cover under the following sections:**

### Section 1: Cancellation

If **you** need to cancel **your** trip because **you**, a family member, or a travel companion is:

- Diagnosed with Coronavirus within 14 days of **your** planned departure date, following a UK Government approved test, certified by a medical practitioner or an independent authority (e.g., private testing service).
- In quarantine on the date **your** trip is due to start, on the orders of a medical practitioner, due to Coronavirus, suspected Coronavirus, or exposure to someone with Coronavirus.

### Section 2: Cutting your trip short

If **you** need to cut **your** trip short and return home earlier than planned because an immediate relative is hospitalised or dies as a result of contracting Coronavirus.

### Section 6: Emergency medical and other expenses

- If **you** contract Coronavirus during **your** trip and require medical treatment.
- If **you** need to extend **your** trip because **you** contract Coronavirus or are quarantined on the orders of a medical practitioner due to Coronavirus, suspected Coronavirus, or exposure to someone with Coronavirus. Cover for additional travel and accommodation expenses is limited to £2,000.

### Important notes

- The policy's Conditions, General Exclusions, and section-specific Conditions still apply.

- **Cover for cancellation is only provided if the cancellation of your trip is both necessary and unavoidable. AllClear does not cover cancellations simply because you choose not to travel.**

- **In the event of a claim, you must provide one of the following:**
  - **A copy of the positive Coronavirus test result from a registered medical practitioner or independent authority (e.g., private provider).**
  - **A positive lateral flow test (or a picture of the positive test) with adequate supporting evidence or independent certification.**

- **Written proof from a treating medical practitioner if the claim is related to being quarantined on their orders.**

**A positive lateral flow test (or a picture of the positive test) without adequate and appropriate supporting evidence or certification is not sufficient proof for a claim.**

**Travelling to a country or area against Foreign Commonwealth and Development Office/World Health Organisation Advice.**

**If you are travelling to a country or area where the FCDO or WHO advise against all or all but essential travel, after you have booked your trip and this policy, due to:**

### Coronavirus:

- **Your** policy will cover claims not related to Coronavirus, such as emergency medical costs, baggage, passports, money, and personal accident claims, according to the policy terms, conditions, and exclusions.
- **Your** policy will not cover any claims caused by or related to Coronavirus.

### Other reasons. You should understand:

- Why the FCDO or WHO advises against all or all but essential travel. For more information, visit:
  - Foreign travel advice - [www.gov.uk](http://www.gov.uk)
  - Travel advice - [www.who.int](http://www.who.int)
- **We** may not be able to provide the usual assistance or services in an emergency, depending on the reason for the travel advisory.
- The policy cover will be limited, and there will be no cover for claims related to the reason for the FCDO or WHO travel advisory.

### Change in FCDO or WHO advice

If the FCDO or WHO changes their advice for the country or area **you** are traveling to:

- After **you** have bought **your** policy or booked **your** trip (whichever is later).
- To advise against all travel or all but essential travel.
- For reasons other than a medical epidemic or pandemic (including Coronavirus) or anything in the general exclusions, including but not limited to War, Terrorism and Civil unrest.

**Your** AllClear travel insurance policy will provide cover under:

- **Section 1** - Cancellation: If **you** have purchased a policy with cancellation cover, and the advice changes before **your** trip starts.
- **Section 2** - Cutting **your** trip short: If the advice changes after **your** trip has started.

# Important things to remember

## Before you go

### 1) Making your declarations – Taking reasonable care

Please take care when providing information to **us**. If **you** don't take reasonable care, **you** may be responsible for some or all of any claim costs. **Your** policy and quotes are based on the answers **you** provide. If **we** find out that this information was incorrect, it could affect **your** claim. **We** apply the Consumer Insurance (Disclosure and Representations) Act 2012, which means **we** might not pay **your** claim or could reject it entirely. If this happens, **we** will explain why.

### 2) Cancelling Your Trip

If **you** need to cancel **your** trip, visit [submit-claim.com/allclear](http://submit-claim.com/allclear). For full details, see 'How to make a claim' below.

### 3) Traveling with a Carer

If **you** or anyone covered by this policy needs a carer for daily activities, **you** must travel with a carer who can help for the entire trip and does not need a carer themselves. If **you** don't, there will be no cover available under any section of the policy.

## While you are away

### 1) If You Need Emergency Assistance

- If **you** have a medical emergency, call **our** 24-hour emergency assistance helpline on +44 (0) 203 467 4122. Zurich Assist will arrange the necessary medical services based on **your** health needs.
- If **you** are admitted to hospital, or **your** outpatient treatment is likely to cost more than £350, **you** must call Zurich Assist as soon as possible. If **you** don't it could reduce the amount **you** can claim under this policy.
- Please note that this is not private health insurance, and be aware of potential high treatment costs. If **you** need simple outpatient treatment that **you** can pay for locally, **you** can make a claim when **you** return home (make sure **you** have valid receipts or invoices). If **you** are unsure, **you** can call Zurich Assist for help and advice.

If **you** need help from Zurich Assist during your trip and incur any costs covered by the policy, **you** will need to claim these expenses after you return home. Please refer to the section "How to make a claim" on page 6 for more details.

### 2) Zurich Assist 24-hour worldwide assistance

- **Consular and embassy referral:** Where possible, **we** will give **you** the details of the representative of the relevant consulate or embassy. For example, if **you** have lost **your** passport, driving licence or travel documents.

## Emergency Travel and Accommodation arrangements:

Where possible, **we** will help **you** arrange emergency transportation and accommodation if needed.

**Sending Urgent Messages:** If **you** experience travel delays or suffer from illness or injury, **we** can help **you** send urgent personal messages or get messages to **you**.

# General policy information

## Period of insurance

**Your** trip must start and end in **your** home country. Cover cannot begin after **you** have left **your** home country. The policy wording and any endorsement **we** issue form a contract between **you** and **us**, based on the information **you** provided during **your** application. This contract includes the schedule and this policy document.

**You are not covered for any part of a trip that is scheduled to last longer than the number of days shown on your policy schedule (for single trip policies), or longer than the maximum trip length allowed for your level of cover (for annual multi-trip policies).**

**Please note:** If unexpected events beyond **your** control prevent **you** from finishing **your** holiday within the insurance period shown on **your** schedule, **we** will extend **your** cover for up to 30 days at no extra charge, provided **you** return as soon as possible.

**This policy is only valid for trips within your home country if you have pre-booked accommodation.**

## Cruises

This policy only covers Cruise trips if **you** have purchased the Platinum level of cover, or purchased Gold Plus and have paid the appropriate additional Cruise premium.

**Please note: Cruise cover is not available with the Gold level of cover.**

## Winter sports

This policy only covers Winter sports if **you** have paid the appropriate additional Winter sports premium.

## Business trips

This policy does not cover Business trips.

## For single trip insurance

This policy is not valid for trips longer than 12 months. Winter sports are covered for the entire trip if **you** have paid the required additional premium.

## For annual multi-trip insurance

Destination	Age	Limit for each trip
USA, Canada, Mexico or the Caribbean	0-70	45 days
	71+	35 days
Anywhere else	Any age	45 days

The maximum total number of days **you** can be covered across all trips in a policy year is 183 days.

If **you** are aged 70 or under, **you** can extend **your** trip limit to either 50 or 55 days for an extra premium for travel to any destination.

If **you** are aged 71 or over, **you** can extend **your** trip limit to 50 or 55 days for an extra premium when travelling anywhere except to the USA, Canada, the Caribbean, or Mexico.

Cover under all sections, except Section 1 - Cancellation, only applies if the outward and return journeys take place within the start and end dates shown on the schedule of cover. Winter sports are limited to 17 days per policy year if **you** have paid the additional premium.

If **your** AllClear annual multi-trip policy renews during a trip:

- The total trip duration cannot exceed the trip limit shown on **your** latest policy schedule.
- The cover for any claims will depend on the terms of the policy in effect at the time of the event that resulted in a claim.

**If your trip began before your AllClear insurance policy started, you won't have any cover for any part of the trip.**

## Section 1 - Cancellation cover

Cancellation cover starts as soon as the premium is paid or from the commencement date when the policy wording is issued. **We** cannot refund **your** premium after this date, except within the first 14 days of receiving the policy wording or before **you** travel (whichever is sooner). For annual multi-trip insurance, cancellation cover starts when **you** book the trip or on the start date shown on the schedule of cover, whichever is later.

## Cover under remaining sections

Cover under all other sections applies for the duration of the booked trip, including travel from **your** home to the departure point and back afterward, not exceeding 36 hours each way. If **you** return home earlier than planned, cover ends when **you** get back to **your** home country.

## Checking your documents are in order

**You must check your policy documents. The pre-existing medical conditions you are covered for are listed in your policy schedule. If any information is incorrect, please contact the AllClear call centre on 01708 339029.**

## Cancelling this policy

### Your right to cancel - 'Cooling off period'

**You have a 14-day 'cooling off' period from when you receive your documentation. If the terms and conditions do not meet your requirements and you have not travelled or made a claim, you can ask AllClear for a full refund, within this period. To cancel your policy, contact us on 01708 339016.**

**If you want to cancel your policy outside of the 14-day cooling-off period or if a change to your policy means we cannot continue your cover, the following terms apply:**

**Single trip policies - If you have not travelled and are not claiming on the policy, you will receive a refund of 50% of the total premium paid. However, if the amount due is less than £25, no refund will be made.**

## General policy information

Continued from page 11

**Annual multi-trip policies** - If you have not made a claim (regardless of whether it was successful or not) and you confirm that there is no claim pending, you will receive a refund of 5% of the total premium paid for each full calendar month remaining on the policy from the cancellation date. However, if the amount due is less than £25, no refund will be made.

**Annual multi-trip policies** - If you tell us about a change in your health that means there is less risk, we will refund part of your premium. The amount we refund will depend on how much the risk has reduced and how much time is left on your policy. However, if the amount due back is less than £15, no refund will be made.

If you have travelled on a single trip policy or intend to claim, or have made a claim on either a single trip or annual multi-trip policy (regardless of whether it was successful or not), we will not refund any part of your premium.

We reserve the right to cancel this policy with 14 days' notice by recorded delivery to your last known address. We do not need to give prior notice or provide a refund in cases of fraud, suspected fraud, or deliberate or reckless misrepresentation.

### General medical conditions

We will not cover any medical condition or disability (pre-existing or otherwise) if:

- 1) Your health is significantly worse than you told us.
- 2) You know you have a terminal condition, but have not told us.
- 3) You know you will need medical treatment during your journey.
- 4) One of the purposes of your journey is to get medical treatment.
- 5) You are travelling against the advice of a medical practitioner.
- 6) You are not fit to travel on your journey.

We have the right, from the date of issue up to the date of travel, to request a letter from your medical practitioner detailing your pre-existing medical conditions, confirming that your conditions have not changed or got worse, and stating that you are fit to travel.

### Pre-existing medical conditions

We will cover you for claims related to the pre-existing medical conditions or disabilities you disclosed to us and we accepted in writing.

We will not cover you for claims related to pre-existing medical conditions that you did not disclose to us and we did not accept in writing. You must tell us about ALL medical conditions for which you answer yes under the Medical health disclosure requirements below.

We cannot provide cover for some conditions and exclude others you choose not to include in your declaration to us.

### Medical health disclosure requirements

You must read the following important information:

You must disclose to us if you or anyone else insured on this policy has:

- In the last two years, taken any prescribed medication or received medical treatment or advice at a hospital, clinic, GP surgery or via remote consultation or received or been offered palliative care.
- Been placed on a waiting list that could cause you to cancel or cut short your trip.
- Been advised of a terminal illness.

We cannot cover undiagnosed conditions.

If you do not provide full and accurate information before you take out the insurance or when circumstances change, your cover could be invalid, and any claim may be rejected.

### Terminal prognosis

If you have been given a terminal prognosis, and your GP or medical practitioner confirms that the prognosis is not less than 6 months from your return date of travel and that you are fit to travel, we may still be able to provide cover. If you or anyone else insured on this policy has been given a terminal prognosis, please contact the AllClear call centre on 01708 339029.

### Dialysis

You can obtain cover for trips if you require dialysis treatment while abroad providing the following conditions are met:

- The treatment is deemed necessary by a medical practitioner as routine treatment of your condition while on holiday.
- Your condition has been diagnosed, declared and covered on the policy.
- You are not going abroad solely for the purpose of receiving dialysis or a form of dialysis unavailable in your home country.
- You have been declared fit to travel by your general practitioner or specialist medical professional.

You must ensure that the facilities available in the area you are travelling to are of a high enough standard to safely provide dialysis treatment. You can do this by contacting Kidney Care UK on 01509 808668.

You can not claim for the cost of any complications that arise as a result of pre-booked dialysis treatment. You can not claim for the cost of any pre-booked dialysis treatment if you are unable to go on your trip as planned.

### Waiting lists

If **you** are on a waiting list for medical treatment or investigation, or have a scheduled procedure that, if moved forward or delayed, may cause **you** to cancel or cut short **your** journey, **we** will not cover these costs unless **you** have paid the additional premium for waiting list cover. If **you** believe **you** have paid for this cover, please check **your** documents to confirm.

This cover only applies to single trip policies and only where cancellation cover is included.

### Change in state of health

**You must inform us and consult with your medical practitioner if you or anyone else insured on this policy:**

- Develops a new condition.
- Experiences a change to an existing medical condition.
- Has their medication changed or amended.

**Contact the AllClear call centre on 01708 339029 as soon as possible and before you book or start your journey, or pay the balance or any further instalments for your journey. We have the right to change the premium, and/or amend, restrict, or cancel your cover under this policy.**

### Non-travelling relatives

**You** may have an immediate relative with a medical condition who is not travelling with **you**. If their health worsens significantly, **you** might need to cancel or cut short **your** journey.

Such claims are covered, subject to all other terms and conditions, if the relative's doctor can confirm that, at the time **you** booked **your** trip or purchased **your** policy, there was no substantial likelihood of the patient's condition worsening to the extent that **you** would need to cancel or cut short **your** journey. If the doctor will not confirm this, **your** claim is not covered. In the event of a claim, the doctor must complete the medical certificate on the claim form.

### Travelling companion cancellation cover

This cover provides cover for cancellation and cutting **your** trip short for **your** travelling companions insured under another travel insurance provider if **your** pre-existing medical condition, which **we** have agreed to cover in writing, causes the cancellation. This cover applies only if the additional premium has been paid, as shown on **your** policy schedule.

### Excesses

An excess is the first part of any claim that **you** have to pay. The excess applies to each insured person per claim, except for Section 8 'Personal Liability', where it applies per policy. If **you** make a claim under more than one section for the same event, a maximum of two excesses per person will apply, and these will be the highest excesses payable.

If **you** pay an extra premium, **you** can choose to have zero excess, which removes all excesses except for medical claims related to amateur sporting and adventure activities (see pages 43-45) or winter sports activities (see page 38).

Zero excess must be selected at the time of purchase. If **you** choose zero excess after **your** policy has started, it will not apply to any incidents that have already happened or that **you** know are likely to result in a claim.

For a reduced premium, **your** policy can include an increased excess (Gold & Gold Plus only). Please check **your** policy schedule to confirm **your** chosen level of excess.

### Auto Renewal

AllClear will automatically renew **your** policy at the expiry date using the payment details **you** provided, unless **you** tell us not to. If **we** cannot automatically renew **your** policy, **we** will contact **you** at least 21 days before it is due to expire to let **you** know. **You** must be a UK resident (as defined on page 17) at the time of renewal.

### Continuous Payment Authority

By purchasing **your** policy, **you** authorise **us** to use **your** card details to set up a continuous payment authority. These details will be held securely by a third party payment provider. **We** will use these details for payment of mid-term adjustments and renewal premiums. **You** can cancel this continuous payment authority at any time.

### Travelling when pregnant

**We** provide cover under this policy if something unexpected happens. **We** do not consider pregnancy or childbirth to be an illness or injury.

If **you** become pregnant after buying this policy or booking **your** trip (whichever is later) and will be over 32 weeks pregnant for a single pregnancy (or 24 weeks pregnant for a multiple pregnancy) by **your** return date, **you** can claim for cancellation.

Cover is automatically provided under section 1 (Cancellation), section 2 (Cutting **your** trip short) and section 6 (Medical emergency expenses) for complications of pregnancy and childbirth that existed when **you** took out this policy or developed later, as long as **your** doctor and midwife are aware of **your** travel plans and that **you** are not travelling against medical advice.

Childbirth at or after the 32nd week for a single pregnancy (or 24th week for a multiple pregnancy) is not considered a complication and is not covered under any section of this policy.

**You should check with them or any other mode of transport you plan to take before booking. You are not covered for claims arising from pregnancy if, at the time of checking in or boarding, you fail to meet the carrier's policy for pregnant women.**

# Conditions

## CONDITIONS

**1)** Cover is only available for the entire duration of the booked trip. Cover cannot start after the journey has begun.

**2)** Cover is only available for children (under the age of 18) if they are travelling with an adult and are named on the same policy.

**3)** If your money, gadget and valuables or any items of baggage, are lost or stolen, you must notify the local police within 24 hours of discovery and get a copy of the police report. Failure to do so will result in your claim being denied.

**4)** No payment will be made under sections 1, 2, 5, 6, 9, 13B, 14B and 15B without appropriate medical certification.

**5)** In the event of a claim, you (or your legal representative) must provide us with all the information and documents we need at your (or their) own expense. If you make a medical claim, you may be asked to provide your medical practitioner's name so we can access your medical records.

This helps us and the treating medical practitioner to provide appropriate assistance and assess if cover applies. If you do not agree to this when requested, we will not process your claim.

**6)** In the event of a claim, if we require a medical examination, you must agree to it. In the event of death, we are entitled to a post-mortem examination at our expense.

**7)** You must take all reasonable steps to recover any lost or stolen item.

**8)** If you make a fraudulent claim, the insurer will not pay the claim and will cancel the policy from the date the claim was made. This means you will no longer be covered under the policy and cannot make any further claims. If we discover that a paid claim was fraudulent, we reserve the right to ask you to repay any claim amounts paid to you or a third party. In the event of fraud, we may cancel the contract and will not refund any premiums paid.

**9)** You must not make any payment, admit liability, offer or promise to make any payment without our written consent.

**10)** We are entitled to take over any rights in the defence or settlement of any claim and to take legal action in your name for our benefit against any other party.

**12)** The terms of this insurance is based upon the information you provided to us. The policy contains conditions about the health of the people travelling. You must take reasonable care to answer all questions about their health honestly, accurately, and to the best of your knowledge. If you do not understand a question or do not know the answer, it is essential that you tell us. Once cover has been arranged, you must immediately notify us of any changes to the information provided. Failure to provide full and accurate information before you take out the insurance or when circumstances change could invalidate the cover and may result in your claim being rejected. If you are declaring on behalf of another person, you must ensure you are fully aware of their medical history.

**13)** If at the time of making a claim, there is any other policy covering the same risk, we are entitled to contact that insurer for a contribution. You must provide any assistance that we require.

**14)** You must pay back any amounts we have either paid to you or on your behalf which are not covered by this insurance, or for costs which are later recovered elsewhere. For example, claims for lost baggage that is later found, or for cancelled trips which are later refunded. These payments must be returned to us within one month of you becoming aware.

**15)** A person or company who is not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy. However, this does not affect any right or remedy of a third party that exists or is available apart from that Act.

**16)** You must take all reasonable care to protect yourself and your property and act as if you are not insured.

**17)** We will not provide cover, make any payments, or provide any service or benefit to any insured person or other party if doing so would violate any relevant trade or economic sanctions law or regulation.
